

QUALITY COUNTS QUALITY RATING SYSTEM

Application for:

Illinois License-Exempt Family Child Care Providers

Overview and Application Process

The Quality Counts-Quality Rating System (QRS) assists Illinois License-Exempt family child care providers in providing quality care for children and their families. This voluntary system offers three Training Tiers which providers can achieve. Once a License-Exempt family child care provider has completed training for a Training Tier, they receive a QRS Training Tier award certificate. Providers serving children eligible for the Child Care Assistance Program (CCAP) receive a quality add-on to the CCAP standard daily reimbursement rate. Add-on rates range from 10% – 20% depending on the Training Tier(s) a provider has completed. Providers do not have to have CCAP children in care in order to apply to QRS.

Before a provider can apply for QRS, they must attend a free Quality Rating System Orientation and complete, at a minimum, requirements for Training Tier 1. Orientations and trainings are offered by local Child Care Resource and Referral (CCR&R) agencies. Applications are processed by the Illinois Network of Child Care Resource & Referral Agencies (INCCRRA). IDHS is notified of eligible providers. The quality add-on rate for CCAP providers goes into effect the month following notification. This initiative is funded by the Illinois Department of Human Services (IDHS).

QRS Orientation Requirement

Providers must attend a free Quality Rating System Orientation session before applying for QRS. Orientations are offered by the local CCR&R. If you have not attended a QRS Orientation, contact your local CCR&R for dates and times of upcoming sessions. To find a local CCR&R visit the INCCRRA website at www.inccrra.org or call **1-877-202-4453**.

Eligibility Requirements

- Attended a QRS Orientation session.
- Completed, at a minimum, the training requirements for Training Tier 1. To receive the CCAP quality add-ons shown on the Training Tier chart, Tiers must be completed in order. Providers can apply for each Tier once they have completed required trainings. *(See Training Tier Chart on next page 2)*

			3 hrs = Preschool Child, Language Development
			3 hrs = Preschool Child, Cognitive Development
			3 hrs = School Age Development

Directions for Completing the QRS Application

The application must be fully completed. Required documentation must be enclosed with the signed and dated application. Any missing information will delay the processing of your application. Send **copies** of all documentation. Information submitted to INCCRRA will not be returned.

1. Complete the Provider Information section.
2. Complete the Program Information section, including:
 - Indicate the Training Tier you are applying for.
 - Complete the QRS Orientation attendance information. Submit a copy of the Orientation attendance certificate. This is required only when applying for Tier 1.
 - Complete information about child care provided. If CCAP children are in care, submit copies of the previous month’s CCAP billing certificates for all CCAP children in care.
3. Complete the Training Tier checklist for the Tier you are applying for. Submit copies of training certificates for the Tier. (See page 4.)
4. Sign and date the application.
